Mr. Gary Snyder
5101 W 1000 N
Huntington, IN 46750

Mr. Snyder,

This correspondence is in response to your request for public records received by this office on June 29, 2009. Specifically, you requested:

"List of all websites visited by Huntington Police officer Trent Ruble from 1/1/09 to 6/22/09.

Your request is denied and/or cannot be given a response because:

1. This request does not identify with reasonable particularity the records being requested. Indiana Code 5-14-3-3 (a).
2. The general internet history of a public employee or official is not a public record. See: Informal Opinion (John Rowe) of the Public Access Counselor dated January 4, 2008.
3. The City does not maintain a record or list of website hits; rather, such a list would need to be created. A request for research and development of a record, not already maintained is an exception to the statutory disclosure requirements. Nothing in the statute requires a public agency to develop records or information pursuant to a request. See: Opinions of the Public Access Counselor 07-FC-155.

Sincerely,

Christi A Scher
